

Your Child's Fundraising Event is Coming!

Help your child raise funds for their school — while having an amazing, fun-filled day.

We're excited to be bringing a **2BFIT Fundraising Event** to your school — combining fitness, fun and fundraising.

Funds raised go directly to supporting your school's programs, resources and initiatives.

Every **donation** makes a difference — and every child gets to be part of the experience.

Every **donation** makes a difference — and every child gets to be part of the experience.

How the Fundraiser Works

1. **Register your child online**
(Create their personal fundraising page)

2. **Share their page with family and friends**

3. **Collect sponsorship donations**

4. **Event Day!**

5. **Funds raised are provided to the school**

The more your child shares, the more they can raise.

Event Day Information

Do students need to raise money to participate?
No – all students can take part.

How do donations work?
All donations are made securely through the online platform

Who do the funds go to?, Funds raised go directly to the school.
